

## Crossover and Side Mount Truck Boxes

*Our most popular boxes featuring our patented Fully Foamed Lid and Stainless Steel Locks for strength and security.*

- **Patented Fully Foamed Lid** creates a rigid wall between outer aluminum layers to help prevent bending or warping
- **Stainless Steel Lock Handles** provide strength, security and rust-free product life—available in two unique designs:
  - **Secure Lock Twist Handle** provide oversized ring handle for easy full hand opening
  - **Paddle Lock Lift Handle** provides paddle design which lifts for easy finger opening
- **Lid Opens 90°** for easy loading and unloading of tools and equipment, available in two finishes:
  - **Bright Aluminum Diamond Tread**
  - **Black Powder Coated Aluminum Diamond Tread**

### SINGLE LID SERIES

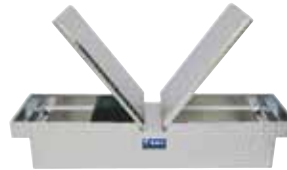

*Most popular design with multiple sizes and shapes to fit nearly every truck bed size.*

Truck tool boxes should last. That's why WEATHER GUARD Truck Equipment is designed and built utilizing the latest technologies and toughest materials to provide the most complete selection of high-quality storage equipment available, creating customized storage solutions that serious professionals have been depending on for over 45 years.

### Saddle Box

WEATHER GUARD truck tool boxes in single-cover style conceals the full-length stainless steel piano hinge and provides easy access for larger, bulkier items. Low-Profile box models feature reduced cover clearance for an unobstructed view.

- \* EXTREME PROTECTION® tamper-resistant retracting lock.
- \* Limited LIFETIME WARRANTY for peace of mind
- \* 90° cover opening for easy access
- \* Crimp-free / drill-free install mounting brackets
- \* 12V pass-through provides easy, weatherproof power-cord access
- \* Level storage secures 48" level
- \* Full weather seal protects against the elements
- \* Adjustable tray provides storage for small items
- \* Automotive style rotary latch features smooth "one-touch" opening

### Hi-Side Boxes

Designed to carry more tools by freeing up the storage space in a cargo bed, WEATHER GUARD® Hi-Side Boxes come in both aluminum and steel with extensive reinforced design. Hi-Side Boxes mount on the side rails of a pickup and come in a variety sizes and styles to suit both your needs and your trade:

- \* Designed with extensive reinforcing throughout
- \* Exclusive inner arc-weld construction for maximum strength
- \* Opened door is supported by aircraft-type cables, which can be removed to allow for a fully open position
- \* Finished with ARMOR-TUF™ Coating
- \* Door cable easily adjusts to three positions
- \* Mounting legs are made of 1/4" bar stock for sturdy mounting
- \* Full weather stripping provides a positive seal against weather

### Lo-Side Boxes

WEATHER GUARD® Lo-Side and Super-Lo Side Boxes are the preferred solution to efficient storage for contracting professionals and service vehicles. Lo-Side Boxes can be used separately or in combination with Cross Boxes or Saddle Boxes and come in different sizes and styles to match your truck and your trade. All WEATHER GUARD Truck Boxes mount for a low profile over the side rails of your pickup and are made of heavy-gauge steel or aluminum and built to last:

- \* EXTREME PROTECTION® Lock — protects against break-ins and has tamper-resistant retracting lock
- \* 90° cover opening for easy access
- \* Crimp-free/drill-free install mounting brackets
- \* Body channel for extra strength
- \* Full weather seal
- \* Automotive style latch with smooth "one touch" opening
- \* Latch linkage protection

## Pack Rat® Drawer Units

Designed for heavy loads, WEATHER GUARD® PACK RAT® Drawer Units were also designed with modular shelving applications in mind. Have your equipment waiting for you as soon as you open the door. These heavy-duty pull-out drawer units can be mounted inside the side or rear doors. They offer easy access to hundreds of pounds of tools and supplies while leaving floor space open for hauling materials or moving in and out of the vehicle.

- \* Low-profile provides concealed and secure storage for heavy items without greatly reducing truck bed area
- \* Reinforced construction allows material to be loaded on top of the unit
- \* Drawer compartments are approximately 9 3/4" wide and can be divided
- \* ONE-TOUCH® Latch System allows easy operation
- \* The smooth gliding roll-out drawer puts frequently used items within easy reach without climbing onto the truck
- \* Drawers are weather stripped and each drawer has a load rating of 425 lbs. evenly distributed

## Drawer Units

**Underbed Boxes**

The most rugged underbed boxes available, WEATHER GUARD® Aluminum and Steel Underbed Boxes are designed to withstand rugged daily use. Tools remain accessible when needed and safe and secure from weather and theft. Our underbed truck boxes are a great solution for the secure storage of additional tools and equipment on heavy-duty trucks. Mounts above or below truck bed to provide additional easy-access storage.

**“ Celebrating 40 years of quality aluminum products “**

*RDS Offers a full assortment of aluminum fuel transfer tanks in various capacities and dimensions to fit your needs.*

*Fuel tanks are classified as “Auxilliary” or “Transfer”*

**Auxilliary tanks** connect to your vehicle’s fuel tank. Diesel fuel can “gravity feed” from the bottom of your RDS tank.

**Transfer tanks** fuel other equipment or vehicles. These tanks have a structurally reinforced 2” FTP coupling for installing a hand or electric fuel pump.

An optional **Diesel Install Kit** contains the necessary items to economically and easily connect your RDS tank to your OEM fuel tank.

*(Most RDS transfer tanks will also provide auxilliary fueling.)*

*(Gasoline auxilliary fueling is allowed if siphoned from the top of the tank by using electric fuel pump.)*

**Auxilliary Tank / ToolBox Combos**

### **EZ-8 12 Volt Electric Fuel Pump**

Lightweight and easy to handle, this EZ-8 fuel pump is ideal for on-the-go fueling. This pump delivers up to 8 gallons per minute which is gas station equivalent flowrate.

Part # GPI1137100-01

### **M-150S-AU 12 Volt Fuel Pump**

This pump is a 12-volt pump with proven dependability and efficiency. Recognized as one of the best electric fuel pumps on the market. Also available in 24-volt models.

Part # GPI1110000-01

### **M-150S-Methanol 12 Volt Pump**

This pump is a 12-volt pump specifically designed for METHANOL fuels. It is same style as the M-150S-AU pump with special internal components for METANOHL fuel.

This pump delivers up to 15 gallons per minute.

Part # GPI1110700-01

Buy Smart. Buy Value. Buy 

Great Plains Industries is a leading manufacturer of fuel transfer pumps. GPI has become the supplier of choice for truck mounted pumps and fleet fueling pumps. GPI provides unparalleled custom service, on-time delivery and product quality.

Our Broadest Line of Contractor Grade Boxes

Unique patent pending foam reinforced lid provides increased strength, rigidity and excellent sound deadening properties. Available on most Challenger Series boxes.

**Our Broadest Line of Construction Grade Boxes**

**FOAM INJECTED LID**

- Unique patent pending foam reinforced lid provides increased strength, rigidity and excellent sound deadening properties. Available on most Challenger™ boxes

**THICK DIAMOND PLATE BODY**

- Extra thick high grade diamond plate body will not rust, pit or peel
- 3-piece box construction with fully welded seams provides extra strength

**LEVER LOCKING SYSTEM**

- Quick-release, stainless steel paddle handles offer increased security and easy lid operation from both sides of boxes

**COMMERCIAL GRADE GAS STRUTS**

- Twin, 45# struts provide smooth, automatic lid lifting — even in cold weather

**HEAVY DUTY PLASTIC TOOL TRAY**

- Deep molded tool tray provides storage for small items and sits above the ledge, allowing for maximum space inside the box

**STATIONARY TRAY AND TOOL HOLDERS**

- Two stationary trays, perfect for storage of small items
- Built in holders store up to 11 screwdrivers

**RUBBER FLOOR MAT**

- Keeps items in your box from shifting and sliding

**NO DRILL INSTALLATION**

- Heavy duty J-Bolt mounting hardware offers no truck bed drilling for most installations

## TOOL BOXES

**Industrial-grade construction for industrial-grade protection, Trux Stuff's line of storage boxes are designed for your peace of mind. Strong and secure, they're also built for the way you work, with an array of sizes and features to keep your equipment organized, dry and secure.**

Featuring construction-grade quality and convenience for the most demanding job. With an extra-thick, high-grade diamond-plate body that will not rust, pit or peel, some models also feature a unique foam-reinforced lid that provides increased strength, rigidity and excellent sound deadening properties. Heavy-duty gas shocks lift the lid automatically while full-length latch and rod covers protect latches from damage. Available in brite diamond plate finish.

- 0.45" Aluminum
- Flat Lid
- Zinc-Plated Handles
- OE Approved Shocks – Single
- OE Approved Hinges
- Styles:** Full Size - Brite
- Down Size - Brite

Part #	Description
3000	Down Size
3001	Full Size

**Add "B" to part number for Black.**

## Truck Tool Boxes

Delta Truck Boxes evolved nearly 45 years ago and quickly became the recognized leader in truck storage solutions. Today, Delta Truck Boxes continue to be known as the standard for quality and value. You can select from Aluminum, Steel and Structural Foam models that meet a wide range of storage requirements.

All Delta Truck Boxes are covered by a One-Year Limited Warranty.
