HOOD PROTECTORS

Vigilante Premium (VP) Series
 Stampede Automotive Accessories top of the line shields are designed and manufactured with an aerodynamic reverse flip for superior deflection providing full hood and front fender protection on some models. Contoured to fit new integrated hood designs, these body blending hood protectors are engineered to be an exact fit for each vehicles hood style.

Chrome Hood Shield

Installs inside window channel for sleek streamlined appearance.

lundinternational.com

Aeroskin™ & Carflector™ Hood Shield

- Helps protect hood, fenders, and windshield from road debris
- Custom-fit for your vehicle, providing an aerodynamic appearance
- Made from high-impact acrylic that is car wash safe
- No-drill installation

Limited Lifetime Warranty

Aeroskin

Flush-mounted to the hood for a low-profile, aerodynamic appearance. Available in smoke & chrome finish

Carflector Hood Shield

Low profile hood shield designed for hood and windshield protection on cars and SUV's.

SPECIALTY SERIES

Available on select applications

We use a UV-based ink system to print our Specialty Series patterns, which is much more environmentally friendly than a solvent based system. This printing technology allows us to apply hi-resolution images right on to the face of the products. The result is a longer lasting, higher clarity of artwork with a smooth matte finish.

Available Camo Patterns:

Mossy Oak® New Break-Up (-9)

Realtree® Max-4 (-12)

Mossy Oak® Duck Blind (-16)

Realtree® AP (-17)

2008 Dodge RAM in Realtree® AP
Tape-Onz 6222-17,
Vigilante Premium 2216-17, Trail Riderz 8519-17

DESIGN / STYLE / QUALITY

Elite Series FENDER FLARES

The LUND™ Elite Series Fender Flares are designed to not only add style, but also protect the sides of your vehicle from road debris and harsh outdoor elements.

- Gives your Truck improved protection against rocks and debris
- Made from tough and durable Tri-Flex™ ABS plastic that is also UV-resistant to protect against fading
- Easy no-drill installation
- Limited Lifetime Warranty

Two Paintable Finishes Available

SX-Sport Style™

Original low-profile styling, offers truck and SUV owners an integrated factory look.

RX-Rivet Style™

Rivet style and wide-body look for trucks and SUV's with larger tire and wheel packages, while shielding fenders from road debris. Its also gives the look of being bolted on the vehicle without drilling or cutting.

EX-ExtraWide Style™

Bold "extrat wide" style and protection from road debris for trucks and SUV's with larger tire and wheel packages

Rail-Guard® Protector

Rail-Guard® is an innovative way to protect truck rails. Made of impact absorbing heavy-duty vinyl, it installs in minutes. NO DRILLING REQUIRED. The Rail-Guard® measures a full 3-3/4 inches wide, enough to cover the widest of truck bed rails. It utilizes 3M ADHESIVE OVER THE ENTIRE BACKSIDE to ensure maximum adhesion. Competitors often only use small strips of adhesive. Our full width 3M tape means condensation and dirt cannot get under the Rail-Guard®. Rail-Guard® can also be used on running boards, rocker panels and in other applications where an attractive protection strip is needed.

Part No. Description
21105 6ft. Tailgate Kit
21106 4 Rail Kit-Up to 6ft. beds
21107 4 Rail Kit-7ft. & 8ft. beds
21108 Side Rail Kit-Up to 6ft. beds
21109 Side Rail Kit-7ft. & 8ft. beds
21104 70ft. Bulk Roll-3-3/4" Material

Flexy Flares®

Rubber Fender Extensions

Our Flexy Flares® are not only a handsome styling addition, but offer extra protection against mud, dirt, gravel and road debris that otherwise would be thrown into your fenders and doors. Constructed from heavy duty E.P.D.M. synthetic rubber, these durable bolt-on flares won't crack or peel in cold weather or droop from high temperatures.

THE AVERAGE THIEF CAN STEAL YOUR VEHICLE

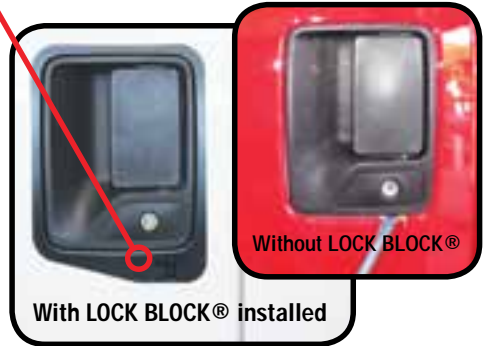

8 IN UNDER SECONDS
IN BROAD DAYLIGHT!

LOCK BLOCK® THE VISIBLE THEFT DETERRENT.

Unlike other theft deterrents on the market, LOCK BLOCK® surrounds the entire door latch with a frame work of 18 gauge steel, the LOCK BLOCK® greatly reduces the possibility a thief can punch a hole in the door beneath the latch.

SEE THE DIFFERENCE!

There is no way a thief will overlook the visible yet stylish LOCK BLOCK®. The LOCK BLOCK® logo has even been visibly placed on the deterrent to predominantly let it be known that your vehicle is protected.

With LOCK BLOCK® installed

Without LOCK BLOCK®

Jimmi' Jammer™

In-door lock protection

Stop Theft get Jimmi' Jammer today!

With Jimmi' Jammer a custom formed steel plate bolts to the backside of your door handle, preventing thieves from prying into the handle seam or punching the lock cylinder into the door thus preventing your vehicle from being broken into or even stolen..

AUTOMOTIVE PRODUCTS

CRL "Perfect Fit" Truck Sliders have the exclusive Flexible Flange that provides a customer satisfied every time. The flexible soft rubber flange hugs the contours of the body, conceals the weep holes, and helps to reduce road noise. Look for faster installations of CRL Sliders with our new bend-over mounting tabs. They align the slider in the opening, and provide a quick securing system for bonded sliders.

CUSTOM FIT COVERS

SPECIAL ORDER

GOOD A mid-priced leader in quality & performance.

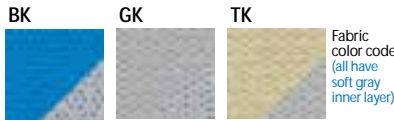

A mid-price leader in quality and performance. The multi bond is bonded with a 3-layered non-woven polypropylene. This is a great indoor cover for dust protection. Limited outdoor use. 2 year warranty.

BETTER CoverCrafts most popular all-weather fabric.

Polypropylene fibers are bonded into a durable 4-layer non-woven finish that includes a soft bi-component inner layer of polyethylene and polypropylene fibers.

Fabric color code (all have soft gray inner layer)

BEST All-weather protection using firm barrier technology.

Noah has a high-tech, bonded 4-layer composite that uses bi-component sheath core technology for twin spun bond outer layers, a film barrier, and a soft bi-component spun bound inner layer.

PREMIUM Exclusive High-Performance Fabric.

Weather Shield HP will shed most water and help prevent dust, dirt, bird droppings and tree sap from reaching the surface of your vehicle.

UNIVERSAL COVERS

The best covers for the worst conditions

All Covers Feature:

Neoprene elastic sewn into front & rear hems.
